Another Hearing Slated in Water Firm Rate Case

Further hearing on an old rate case of the Narbonne Ranch Water Company No. 2 reopened by the California Public Utilities Commission has been set for Monday, March 2. It was announced today. PUC Examiner Grant E. Sphers will preside at 10 a. m. in the American Legion Hall, 24702 Narbonne Avenue, Lomita.

In December, 1953, the Commission authorized the company, which serves about 1100 customers in the Lomita and Torrance areas, to increase its rates, but at the same time ordered the utility to make substantial improvements to provide adequate service.

Since reopening the case the Commission has held two days of public hearings in Lomita, one on December 16 and the second hearing on January 26.

The purpose of reopening the case, the Commission said, is to determine whether the 1953 decision should be "altered or amended in any respect or whether additional orders" should be issued.

YO YO CHAMPS—Gordon Corhn, 14, of 21605 Evelyn Ave., and Chuck Hrehor, 11, of 24427 Winlock Road, will represent Torrance in the district yo yo finals Saturday after winning the city championships last week. Sharon represented Anza playground and Chuck, Walteria Park.
